Introducing QuickShip Everyday for Europe

QuickShip Everyday for Isolation Valves

Fast by default—free by design—for everyday items you need

With the rapid changes in today's business environment, you can't afford to slow down—especially when it comes to product repair and replacement.

What if you could:

- Get the items you need with shorter lead times?
- Reduce the impact of potential late-stage project changes?
- Backfill spares and build inventory faster?

Emerson's **QuickShip Everyday** delivers all that and for no additional cost.

The QuickShip Everyday program provides market-leading production and shipment services designed to reduce lead time on commonly-ordered parts and products, ensuring fast, convenient and reliable delivery. Customers can select from an extensive list of available items and receive immediate confirmations and shipping quotes within 24 hours.

QuickShip Everyday leverages Emerson's reliable network of global manufacturing locations and local fulfillment centers to ensure rapid shipment of parts and final-assembly products for no additional premium.

QuickShip is a world-class fulfillment program that allows for fast shipment of parts and products to maximize speed and responsiveness. It leverages our global infrastructure, local presence and commitment to service to help you avoid downtime, stay on schedule, respond to the unexpected, and control cost in today's challenging environments.

Put Emerson's wealth of resources and expertise to work for you to resolve all your part and product shipping needs, no matter the circumstances.
